Dear UYVDC Families and Staff,

The City of Toronto, the owners of the land and building upon which UYVDC sits and operates, may be moving forward with renovation to the site. They have not confirmed the timing for this work, but have committed to providing at least 90 days notice.

Please note that the renovation project is led by the City of Toronto, not UYVDC. The renovations are anticipated to include, but are not limited to, renovations to the ground floor, basement, ramps/stairways at the entrances, as well as renovations to the outdoor playground space.

Discussions between the City and UYVDC are ongoing to understand the impacts to our operations. While we are sure you will have questions, please offer your patience until we are provided with more details. We will share further updates as they become available.

Sincerely,

UYVDC Board of Directors
